

Explore Kristianstads Vattenrike!

Adventures await you all year round. White-tailed eagles in winter. Cranes and geese in spring. Boating and swimming on sunny summer days. Prime fishing in the autumn. And some 20 visitor sites, many wheelchair- and pushchair-friendly, with marked paths, outdoor museums and birdwatching towers.

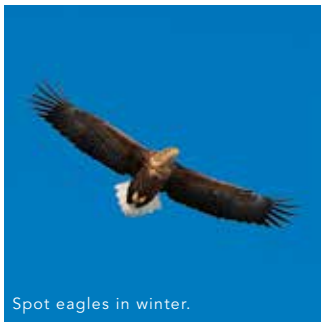

Start at the naturum visitor centre, where displays, tours and information provide the perfect gateway to the area. Kristianstads Vattenrike Biosphere Reserve is a UN-designated model area for sustainable development. Read more at vattenriket.kristianstad.se.
